

THE MISSION OF OUR BOOK & MOVIE

Our book is having a wonderful effect on people's lives every day. We receive many comments from people who are so impressed that they go out and purchase books for all their family and friends to read. The book sets forth the simple and easy steps it takes to become a friend of God and to have regular conversations with God all day long (and this all happens in just the first 45-minutes of reading). After that amazing effect from the first few minutes, readers then enjoy reading about 100-actual-true-miracle-stories which occurred because the author used the methods that are explained in the first 45-minutes.

If you'd like to hear for free -- the book in being read in the author's own voice, click here to go to **WCAT Radio's free audio book**.

This one single book is all-inclusive and self-contained because people get all they need in this one book (primarily because they are talking to God every day now after they read the book and they are receiving their own Co-incidence Miracles from God Himself from that point onward). There is nothing more to purchase or study (in order to learn how to have conversations with God face-to-face) ---because the teacher of all of us (God Himself) will teach each person, just as God said He would in the bible in Jeremiah 31:34; and also in Hebrews 8:11 -- as follows:

"No longer will each one teach his neighbor or his brother, saying; 'know the Lord,' because they will all know Me, from the least of them to the greatest."

The book convinces readers with facts and truths that we each (constantly) have our own private and personal presence of God -- as our own personal God-Friend, always present with us, every day!

BUT

Many (too many) people do not have time to read books or to listen to our **FREE radio broadcasts of the book**. Accordingly, they never realize that God is asking everyone to sit and talk with Him every day. We're inspired that after someone (maybe you) reads or listens to our book being read, you will realize that God wants all of us to now also convince others -- to talk to God face-to-face every day too. A good movie will convince millions of souls because people take time with their significant others and with their family and friends to jointly attend movies as a group or unit, and then to talk about the movies together afterward. A movie can help us to quickly and easily create millions of friends for God overnight -- because we may reach people who might never read or listen to the book otherwise.

In addition ... it is pretty easy to BRING SOMEONE TO GOD (that is, to help them to find God in their own souls); if you are just simply asking them out on a date, and to go to a movie, and then to dinner afterward. They do not realize you are going to be talking about God after the movie of OUR book (but after seeing the movie, they will actually want to talk about some of the TRUE and MIRACULOUS things that touched them during the movie).

Please help us to reach millions of souls by telling them about this new movie. Interestingly, instead of us "asking people to donate to charity" -- we are asking people "to donate to a practical and modern movie about God" -- which convinces people that God is accessible and waiting to speak to everyone every day. Thereafter; all those who are touched by God from this book and movie, will thereafter; donate to charity (whenever God Himself nudges and prompts them to do so). It is best that we all do what God tells us to do about charity (as the Lord's Prayer indicates in the words: "Thy will be done on earth, as it is done in heaven").

All donations toward this movie will help millions of new souls to find God within themselves (via a movie of True Miracles and the simple and easy methods which 10,000 saints in history have already used in order to find God within themselves). Note that your donation will not be wasted. If adequate

funds are raised through GoFundMe and other crowd-sourcing venues and investors, production will begin in central Connecticut in 2019. If inadequate funds are raised, a smaller project will be produced.

May God reward you for your help in letting EVERYONE know about this GREAT-MOVIE-FUNDING opportunity. And thank you for your own personal donation as well. Please do spread the word to others -- with your social media sharings!
