## **REVELATIONSHIP - NEW RELEASE ON AMAZON**

Revelationship is a journey of transformative intimacy with the God who knows you and wants to be known by you.

*Revelationship: Transformative Intimacy With Christ*, released on August 1, 2024, debuting on Amazon.com in a Top Ten List and #1 New Release, shares inspirational stories and simplifies theological principles to create simple, practical pathways enabling Christians to experience God's presence.

Chapters such as *The God Who Wrestles With Us*, *The God Who Disturbs Us*, and *Revelationship In Nature* invites readers to explore what might be new revelations of the God who pursues us for relationship and challenges the status quo of Christian living. Along with the free Devotional & Study Guide (available on [Revelationship.net](https://Revelationship.net)), new Christians and mature Christians alike will find what they need to reinforce the foundations of a thriving walk with God, be invited to return to their First Love, and be inspired to renew their pursuit of the God who pursues them.

Co-authored by Cathy Colver Garland, oldest daughter of Dr. Randy Colver, she also writes [Gracefull Musings](https://GracefullMusings.com), a blog providing women a moment of rest and challenge before those little fingers of children appear under the bathroom door. A former vice president of an online software company, she currently consults with institutions and companies on marketing, sales, and strategy. She also mentors women in professional, spiritual, and personal development. As someone who grew up in the church resulting from the [Jesus Movement](https://JesusMovement.com), Cathy shares that she [deconstructed](https://deconstructed.com) her faith when she was 13 years old and has spent the next decades reconstructing a vibrant walk with God while living an "absolutely surrendered" life. Her passion

is to teach people to hear God's voice and obey, surrender their lives absolutely, and walk in freedom. She is married to Mickey and has two children in elementary school.

Co-author Dr. Randy Colver, was ordained in 1982 and is a seasoned Bible teacher who has written numerous Bible workbooks for class instruction and online studies. Dr. Colver was introduced to Christianity through Sunday School in the Methodist Church growing up, but it was the hippies in the [Jesus Movement](#) that brought the “fire of the Holy Spirit” and radically shifted his trajectory from college student in art school to theologian.

He received his ThD from Logos University and is a member of the [Evangelical Theological Society](#). Dr. Colver serves as an elder and teacher at the [Coweta Community Church](#). Dr. Colver and his wife, Kim, have been married for over forty years. They have six children, fifteen grandchildren, and one great-grandchild. Dr. Colver believes, “My greatest blessing is to know that all my children are serving God.” His focus is on equipping Christians to study God's Word, become disciples, and see revival across the nations.

*This book truly brings a much-needed and revelatory "Ah-Ha" to countless believers who often feel spiritually inferior or inadequate because they did not experience God in one particular or sensational way. The concept of this book is absolutely ingenious and so necessary. What a gift this resource will be to the body of Christ! - Larry Sparks, [larrysparksministries.com](http://larrysparksministries.com)*
