PSALM 23 (Nautical Version)

The Lord is my admiral;
there is nothing I shall requisition.
Peaceful, like glass are the waters
where he gives me rack time.
To restful ports he leads me,
to boost my low morale.

He guides me along the true course;
he is faithful to his name.
If I should sail into storms of darkness
no shipwreck would I fear.
You are there with your chart and compass;
with these you give me liberty.

You have set up the mess decks for me
in the sight of my foes.
You anoint my head with a trim;
my mug is overflowing.

Surely fair winds and following seas
shall follow me all the days of my cruise.
In the Lord's own harbor shall I moor
forever and ever.

## PSALM 23 (USMC Version)

The Lord is my commandant;  
there is nothing I shall requisition.  
Fresh and green are the fields  
where he gives me rack time.  
Near restful shores he leads me,  
to boost my low morale.

He marches me along the right trail;  
he is "*semper fidelis*" to his name.  
If I should charge into storms of lead,  
no death would I fear.  
You are there with your map and compass;  
with these you give me liberty.

You have prepared the chow hall for me  
in the sight of my foes.  
You anoint my head with a high and tight;  
my mug is overflowing.

Surely fair winds and following seas  
shall follow me all the days of my tour.  
In the Lord's own camp shall I stand easy  
for ever and ever.

SPIRITUAL NAVIGATION

Navigators speak of a "three point fix" in order to be able a reliable position on a chart. It is when three distances intersect themselves.

In a discernment is a "spiritual triangulation".

Spiritually also needs to intersect three points together.

For finding your correct position after ponder:

- 1. God's objective moral law, revealed in Sacred Scripture, Tradition and a legitimate magisterium;**
- 2. God arranges providentially in situations; and**
- 3. the testimony of your own informed conscience and inner peace.**

By lining up all three points at the same time is to be prudent.

It is the only way to stay as close to the course as we need.

If in a decision giving ALONE:

- a) Objective law alone is to run aground on LEGALISM.**
- b) Situations alone is to drift aimlessly into RELATIVISM.**
- c) Individual conscience alone is to sink into SUBJECTIVISM.**

In the event: "To navigate is precise; to live is not precise."

We need all the help in the voyage of life!

Have hope, an anchor of the soul, set and secure.

BRAVO ZULU
this is for Sea Services jargon:

**When these two maritime pennants
hoisting together is its signify:
WELL DONE.**

— — —

THANKS = WELL DONE = BRAVU ZULU

— — —

**In Greek, ευχαριστία
means eucharist / thanksgiving ...
for others, it is an action of thanksgiving to the
Creator of the Seas.**
