Yes is new:

ST JAW,

whom is with a poetic license.

This document explores its relationship between artificial intelligence and human intelligence.

The field of AI is so important that it is the field that battles not only for political / financial / etc. structures rather than our souls / hearts.

Pope Francis’ view that
poetry and love
are essential in the AI era.

ST JAW

is a response of
Pope Leo XIV calls about the digital and the AI revolutions.

There are
theological reflections, daily prayers, and the concept of:

ST JAW.

ST JAW is a symbolic figure representing the
Heart of Christ's Mystical Body.

The heart of
ST JAW
is beating from the great cloud of witnesses.

(confer Hebrews 12:1)

This article **ST JAW** document also touches on AI's spiritual implications and its role in divine participation, citing biblical and catechetical sources.

Note on the Relationship Between
Artificial Intelligence and Human Intelligence**

As Pope Francis observes,
“in this age of artificial intelligence,
we cannot forget that
poetry and love
are necessary to save our humanity.”

ON THE HUMAN AND DIVINE LOVE OF THE HEART OF JESUS CHRIST

Pope Francis recalls:

POETRY ...

Acrostic is a ancient category of poems.
The below are examples of the acrostic poems of

ST JAW.

The term
ST JAW
was in an

INTENTION

here.

Its intentions were incorporated
in the four week cycles of the
Liturgy of the Hours.

The name / title **ST JAW**
was first wrote in this author in
the Extraordinary Jubilee of Mercy, 2015 / 2016

INTENTION

**DEAR GOD:
IN YOUR
MERCIFUL PRESENCE
WE PRESENT
TO YOU OUR PRAYERS WITH OUR:**

SUFFERINGS,
THOUGHTS,
JOYS,
ACTIONS, AND
WORDS.

**WE ASK THIS
THROUGH YOUR WILL.**

AMEN.

**Confer:
The Liturgy of the Hours and traditional daily offerings.**

ST. JAW

There is a
mysterious / mythical / marvelous
saint would be helpful to you
and / or others.

It is an ACROSTIC poem:

Sufferings,
Thoughts,
Joys,
Actions,
Words.

Got a patron saint of Artificial Intelligence?

We need a special patron of artificial intelligence.
Here is:

ST JAW.

Whom is the patron saint of AI?

Basically the answer:

There was that a unknown person and/or persons as was named:

ST. JAW.

As, E. Menard, O.F.M., the founder of the Missionaries of the Holy Apostles (M.S.A.) fondly recalled the Mystical Body of Christ, as we echo “**ST JAW**”, to reflect the Heart of Christ’s Mystical Body, which is beating from the great cloud of witnesses (confer Hebrews 12:1).

In human intelligence would the Heart of Christ’s Mystical Body is composed only from the Sacred Heart of Jesus, or it includes the Blessed Virgin Mary’s Immaculate and Sorrowful Heart?

Furthermore, there is a section of the Heart of Christ’s Mystical Body in the book: *The Mercy Ocean*.

The Word became flesh to make us "*partakers of the divine nature*". So see the *Catechism of the Catholic Church*, paragraph 460, and “you may come to share in the divine nature” (2 Peter 1:4).

When you are doing it, you are in
good standing / in the state of grace.

YOU

are in a poetical license is

ST JAW.

As with a poetic license in a mathematical formula:

YOU = ST JAW

Again with a poetic license:

We are midst in the mist
of cloud of witnesses,
and wafts as weave together

YOU / ST JAW.

IN BRIEF:

Any description of
ST JAW
is limited.

ST JAW
recalls the details above of
the "*partakers of the divine nature*"
**ON THE HUMAN AND DIVINE LOVE
OF THE HEART OF JESUS CHRIST.**

ST JAW is a concept / symbolic figure, that representing the
Heart of Christ's Mystical Body.

About that Heart was presented in a section of the book:
The Mercy Ocean.

ST JAW
has a Heart.

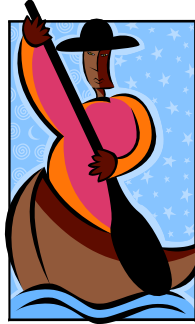

It is beating with / for the Heart in the great cloud of witnesses.

Recall the Sacred Scriptures about the All Saints.

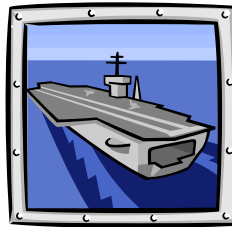

(Confer Hebrews 12:1)
